Find out which document is the one that is currently causing your directory or sub-folder to get bigger. Calculate checksums for your folders and directories. Find out which directories use the most space on your hard disk. Export the file list to CSV or HTML file with a single click. Enter the folder of your choice and be quickly informed about the total size of all the files and sub-folders. Operating System: New PC's and other operating systems without a tool like this built-in. Folder Size Explorer is a great addition to your PC. It gives you a convenient and very fast solution to see the size of your file folders and quickly identifies the ones that can be eliminated to make more space available. Note: Before you buy Folder Size Explorer make sure that you're on a 64 bit operating system, because this

application may not work on a 32 bit operating system. Bicolby Stats For Friday, Oct. 13, the Bicolby Casino in Altoona, Iowa, held its 2014 Player of the Year banquet and awards show. There were many awards handed out to the 16 award recipients at the event held in the Lillie & L.C. Cornhusker Event Center on the City of Altoona's campus. As I've said many times before, a player of the year award is very different than a coach of the year award. The official Bicolby Casino rules book states: "This award is awarded to the player of the year who shows the most improvement throughout the season." In other words, this award goes to the players who play the best over the course of the entire season. Four different award categories were handed out during the 10th Annual Bicolby Casino Player of the Year Awards Show: Player of the Year: This award is awarded to the player who shows the most improvement throughout the season. Season Player of the Year: This award is for a player who shows a consistent improvement throughout
