August 14, 2020 - As far as I understand you won't see anything there. It just tweaks and changes the animation in the game to make the dick look like it's walking... well, you know. - Is that what they said at the presentation of the game? I don't think they guys ever did that. But if you want, I have a copy, you can get a copy of the game and make it yourself. - I know they did it before but they didn't do it to every member so I'm surprised they did it now. I would be happy if they kept it for future generations. - And at the end of the presentation, he said, "I have some latest news for you."
