This tutorial helped me get a bright and bold simple tattoo that stood out. You can be perfect at creating a beautiful tattoo and even be able to pull off a simple design. All it takes is a little practice and dedication to perfect your art. I have a few piercings and have had the same tattoo for five years. But this design did have me looking into what some of the recent trends are and what just seems to be popular. Right now the most popular tattoo ideas are tribal. The tribal tattoo continues to be the hottest and has grown so big that it has made its way to different styles and colors. Tribal tattoos are usually black or dark blue. If you are going for a tribal style tattoo you will want to go with tribal ink colors. Also you should get a tattoo that shows that you are making a statement. I decided to go with a tribal style shaded with a black design. This tattoo shows off my skin tone and gives off a statement. I chose a dark blue color along with my tribal design because I like the contrast of the dark blue and the black color. The black adds depth and the blue adds structure and a variety. In my experience, a tribal design with the colors and a tribal style are the best combinations. It also helps to not only get a bold tattoo, but it shows that you are in charge and that you are not afraid to 6d1f23a050
