Elden Ring Features Key:

A vast game world in the Lands Between
A breath-taking fantasy adventure!

Easy Start!

This is a fantasy RPG with a beautiful visual feast and dynamic combat. Get ready to enjoy all the good thing that our name implies – Fantasy, Action, Romance!

It is estimated that the total number of fantasy RPGs on the market has exceeded 100. However, none of them seem to capture the soul or sense of warmth that FE and AR bring. FE&AR cuts through the clutter of chalices and flip-flops, provides us with an original feel of fantasy, and a deep experience!

It will be a change of pace from the usual fantasy role-playing game. Be sure to come join us on the adventure!

FE&AR is still being developed and will continuously be updated. We welcome it.
