Toxic Brunch is a song parodying I Love Rock 'n' Roll, with all the lyrics changed to be about food, and its absurdity is an invitation to food fight fun. There's poison in your food, It's served cold. Drink some poison and then let's eat. It's about the only way to have fun. Our narrator begins by announcing, "I Like to Have Fun" as he's being attacked from all directions by the Toxic Brunch robots - that's us. We are Toxic Brunch, a band of dancing and singing robots, dedicated to the glorification of PUNK. We are coming to take over the world, with the good music that gets inside you. We're from the 90's We're a living, breathing punk song We're always what you want to see Toxic Brunch: We're gonna take it over! Just as the real Toxic Brunch song becomes a hit, the Toxic Brunch robots start out with a slow, easy-to-follow dance sequence that gets them up to speed quickly. Toxic Brunch: We like punks and they like us! We move from stage to stage, singing pro-Punk lyrics and dancing while being attacked by the Toxic Brunch robots. We are so popular, even The President likes us! It was a pleasure to meet them, but the robots didn't like us at all. We have a gift for you, Mr. President, if you will. In Just Dance, you hit the left side of the screen to play a song, and the right side is where you tap to play a dance move and create a custom character. It's simple, fun and easy to play. Kick off your holiday season with Toxic Brunch! KEY FEATURES: ● TONS OF AVIATORS AND CLOTHING! Each Toxic Brunch robot has tons of a variety of cool and unique costumes, including shirts, wigs, hats, and more! And each character has different moves. ● MORE COMEDY THAN A BUNCH OF FUNNY CARS. We're not just a Punk band: we're Toxic Brunch. ● STUNT TRUCKS AND ROBOTS WITH HANDCUFFS! In each city we visit, we do a special stunt in which

Puzzle Dimension

The White Rabbit Kingdom has been a land of peace for a long time. When Queen Queen was born, however, the Kingdom began to fall apart. Empress, as she called herself, believed that humans should not have the power and ruled accordingly. It has been 50 years since her birth, but the Empress is still wandering and scheming. Newborn, now 25 years old, has gone mad over the power from the White Rabbit Realm. He rules with an iron fist, driving loyal

subjects away and killing those who stand in his way. Now, to save the kingdom, Newborn must find the 12 lost rabbit eggs. However, to do so, he must first unravel the three mysteries. **Gameplay In Puzzle Dimension** there is a number of ways you can play through the game, including:

- **Traditional:** Move from room to room and collect keys to open chests.
- **Action:** Focus on collecting coins as well as finding keys.
- **Spatial:** You must move through the map (left or right) to find all objects.

Controls Pressing the left and right arrow keys moves you within the room. Each key opens a chest of items and progresses the game.

Searching for items and keys To pick up objects, press the left or right arrow key and hold it. To create items, hold the left and right arrow keys at the same time. The items you create can then be used in your adventures. Keys can be found in chests. Pressing the Z key on the keyboard will make you search for keys and items in chests throughout the map.

Up and Down Keys: In the maps, there are sometimes a number of stairs. For example:

- In the second to the last room of the first map, there will be a single stairway that leads up.
- In the second to the last room of the second map, there will be two stairways that lead up.
- In the second to the last room of the third map, there will be three stairways that lead up.

These stairs can be used to travel to different parts of the map. Press the Down Arrow key to open the stairs. The Up Arrow Key will lead you to your room. The Down Arrow key opens the stairs. The Up Arrow key and the Down Arrow key are used at the same time. The X-button is used to open the gate. The Y-button is used to move the camera. Copyright (C) 2014 Gamel d41b202975
